About

Training Overview: Managing Encounters with Sovereign Citizens

Sovereign citizens pose unique challenges for law enforcement and court personnel, often employing tactics designed to intimidate or confuse officers and officials. This training will equip law enforcement professionals and court personnel with the knowledge and strategies needed to effectively manage encounters with sovereign citizens while ensuring officers' safety and upholding constitutional standards.

Domestic Terrorism

Domestic terrorism involves dangerous criminal acts intended to intimidate or coerce a civilian population or influence government policy. This training will provide an overview of domestic terrorism, highlighting the threats posed by various extremist ideologies and movements within the United States. Participants will learn about the tactics used by domestic terrorists, the legal frameworks for addressing these threats, and strategies for maintaining public safety and constitutional rights.

Topic Covered:

- Understanding sovereign citizen ideology and motivations
- Recognizing sovereign citizen documents and tactics
- Legal considerations and case law review
- De-escalation techniques for non-compliant individuals
- Officer safety tactics in traffic stops and arrest scenarios
